**Subject:** Tony, our August govtech webinars are right around the corner

---

Hi Tony,

We're in the dog days of summer, but the Granicus Summer Webinar Series is just getting warmed up!

Join us as we continue our season-long look at the top trends, tips and tricks in the govtech space.

Be especially sure to mark your calendar for Aug. 18, as our founder and CTO, Javier Muniz, will join us for a look at the state of government webcasting!

**Sign up for our webinars today:**

Thurs., August 13	How Technology Spurs Government's Paperless Revolution (featuring Granicus' iLegislate app and VoteCast software)
Tues., August 18	Government Webcasting - Where it's Been and Where it's Going - with Granicus CTO Javier Muniz
Thurs., August 20	The Case for Online Engagement
Wed., August 26	Innovation No Matter the Size: Agenda Management Solutions for Government
Completed	Keeping Up with Government Webcasting Trends
Completed	Rutherford County, NC Digitizes Boards & Commissions Management
Completed	5 Questions for Evaluating Government Technology
Completed	Oregon Legislature Broadcasts On-The-Road Hearings with Portable Encoder

**Please note, the duration of each webinar is approximately 45 minutes.**

We hope you can join us!
