Hello Tony and Susan –

Thanks for taking the time out of your busy schedules to review and discuss the operation and administration of South Carolina aging programs. Please note, our discussions will be a broad information gathering effort intended to create a baseline of how South Carolina operates its programs. It is not prompted by anything in particular and it is not monitoring in the sense of seeking to “uncover” anything. We just want to make sure we have a complete picture of how South Carolina is implementing its programs so we can provide the most effective technical assistance support possible. During our discussion on April 29th, I would like to follow the agenda format offered by your office. Please find the agenda listed below:

9:30 a.m. - Noon

Discretionary Grants

Partnerships and collaborations

Emergency Management Coordination

Current issues – trends – evolving issues

Technical Assistance

Noon – 2:00 p.m.

Grant related income, cost-sharing, nutrition contributions

Behavioral Health

State Plan

Administration

Again, thanks for taking the time out of your schedules to coordinate this call. As always, please call me if you have any questions or concerns.

Kindly,

Ron
