Dear Governor Haley,

This letter has been a long time in coming and I am sorry for the tardiness. Your response for President Obama's State of the Union this evening was awesome.

I have only lived in South Carolina for almost two years and have been so impressed, please and proud of your leadership. You are a governor of the people and a unifier, which we need in our great country.

I pray and hope your response will be the shining beacon in Washington and in America as you have accomplished so much in South Carolina .

You are in my thoughts and prayers.

In the Service of the Lord,

Reverend Aristotle W. Damaskos
