Dear Governor Haley,

For our ninth grade English class, we are working on a research project. Our research topic is the Rwandan Genocide. Before the Genocide happened Belgium colonized Rwanda. During their time there, they gave power to the Tutsis because they were thought to be intelligent. When the Belgians left, they gave the power to the Hutus. Therefore starting a genocide.

The Genocide started on April 6, 1994 due to the death of the Hutu president. This caused an argument between the Hutus and Tutsis. The main goal of the Hutus was to wipe-out the Tutsis' population. The Hutu militia would severely hurt and kill the Tutsis.

We will be presenting our project on the 22nd of October, 2014. We would appreciate if you would join us at South Pointe High School for our presentation. We will be in room B117.

Sincerely,
Alexandria Friel
