Dear Sir/Ma'am,

<https://www.usajobs.gov/GetJob/ViewDetails/390824400> ▪ **USAJobs Link.** The only way to apply for this position/opportunity.

Please also help us get the word out on this position with the Columbia VA Regional Office (last one for a while). The VA Regional Office is committed to hiring Veterans and we are **posting the Veterans Service Representative (VSR) position, for a very limited time**. The position will start at the GS-7 level, with promotion potential to a GS-10, which is approximately \$52,252. This is full time federal employment.

We are looking for individuals that have attention to detail, are savvy with operating computers, and who possess logical thinking skills. There will be a lot of sedentary work in a production type of environment using web based computer applications. That said, this is a great position for those seeking a career in the VA who possess a bachelor's degree or specialized experience processing claims as noted in the qualifications specified in the announcement (links).

**This posting will only be open for 3 days, beginning today, January 13th.** Please closely review the duties and qualification at the link below and if you successfully apply and meet the criteria below, please send a response to: [resume.vbacms@va.gov](mailto:resume.vbacms@va.gov) and let us know that you've applied and specify which criteria below applies. Note: if you previously applied for the Claims Assistant or RVSR positions, you may still apply for this or other openings if you meet the qualifications outlined in the USAJOBS posting. **You will not be considered for positions that you do not apply for via USAJOBS** (i.e. even if this is a good fit for you and you already applied for CA or RVSR, you will only receive consideration for the job(s) you apply for and we can't consider you for jobs that you don't apply for). If this is unclear or you have questions, please let us know by replying.

The bulleted information below just lets us know if you would qualify for other recruitment authorities, so please let us know if you apply and meet any criteria below. **This will likely be the last opportunity you will receive an email for, so thanks for your understanding with all the emails recently.** We don't hire externally all that often and wanted to ensure widest dissemination of these announcements/opportunities.

- Disabled veterans; or
- Veterans who served on active duty in the armed forces during a war, or in a campaign or expedition for which a campaign badge has been authorized; or
- Veterans who, while serving on active duty in the armed forces, participated in a United States military operation for which an Armed Forces Service Medal was awarded; or
- Veterans separated from active duty in the past 3 years.
