Dear Governor Haley,

As a Law Enforcement officer for nearly 15 years now, and a Lifetime Patron Level NRA Member, I am a huge supporter of the second amendment and all it stands for. I want all law abiding citizens who decide that gun ownership or carrying a gun is a right choice for them to do so. I also advocate safe, proper gun ownership which is to include proper training on not just safe handling, but also proper techniques and gun laws by qualified persons. I urge you to vote for good common sense gun bills that will not only strengthen our wonderful country, but also allow for personal defense against those who would want to do it harm. I would also ask that you vote for bills that would strengthen gun laws for criminals who violate the law and are out there to cause nothing more than hate and discontent that tends to give a gun a bad name and all of those who legally and safely carry one everyday. Thank you for your time in this matter.

Sincerely,
Marc Popenhagen
