Dear Senator Young,

The North Augusta Chamber of Commerce will hold its Business Power Luncheon Tuesday, June 9<sup>th</sup>, 2015 and request your assistance with extending an invitation for Governor Nikki Haley to join us.

The Business Power Lunch provides Chamber members the opportunity to hear views and insights on economic trends, stay informed on issues relevant to the business community, and promote connections with business colleagues. At the 2014 Business Power Lunch the Chamber presented a Regional Economic Forecast, with Dr. Bruce Yandle, Dean Emeritus of Clemson University, as the keynote speaker.

We would be honored if Governor Haley would accept our invitation to share her views on infrastructure and workforce development and how our community can better support the state's priorities. This event generally draws approximately 150-200 of our most influential business and community leaders.

Thank you in advance for your assistance. We look forward to your reply.
