Just to make sure we are all on the same page, the following is my understanding:

This position is for an FTE fulfilling the day to day administrative needs in our office.

There may be an additional Part-Time/ Temporary Position during Session to assist with the added tasks at that time.

Good Afternoon Cheryl,

The only thing I see is that I was under the impression we were looking for an FTE not a part-time/ temp employee. I've copied Danny to clarify.
