Danny,

We can bring in a laptop and projector or use yours. No trouble either way. Typically, we use PowerPoints or we can bring paper copies if you prefer.

Danny,

I'd like to propose the following agenda topics and times for your review and approval:

August 7th – State House:

1:00 – 1:20 - Office on Aging – roles/responsibilities (during emergencies) – Kim Stenson or me
1:21 – 1:40 – Hurricane response operations – Scott Brown, Chief of Preparedness
1:41 – 2:00 – Short/intermediate/long-term recovery operations – Elizabeth Ryan, Chief of Recovery and Mitigation

Is there a conference room that can accommodate 5 plus your staff? MG Van McCarty, Kim Stenson, me, Scott Brown, and Elizabeth Ryan are planning to attend unless space is limited.

Sincerely,

Steven Batson

Actually, I meant to ask if y'all can come to the Statehouse or LGOA. That'll make it easier for him to have other meetings on that day. Will that work?

Danny,

Enjoyed the opportunity to meet on Friday. We'd be happy to continue the conversation. We'll be prepared to brief the SCEMD and Office on Aging interactions/responsibilities. Also, if time allows, we could include a more in-depth hurricane program presentation or a recovery/impacts presentation. How long can you spend with us?

Sincerely,

Steve, thanks so much for your hospitality last week. LG Bryant, and all of us, learned a lot and really enjoyed our time. We also would very much like to come back and continue our conversation, particularly concerning the interaction of the Office on Aging and SCEMD.

Would Monday, August 7, perhaps after lunch, be a convenient date for a follow up visit? I look forward to hearing from you soon. Thanks

Danny
