Subject: Verizon Q4 Government Promotions

Attachments: Q4 2015 Gov Promos Communication.docx

I have attached the Q4 Government promotions for all to review. We are still offering a Bill Incentive Credit of \$150 for every new activation added to an account on a Smartphone plan of \$34.99 or higher. This will be for new activations and excludes upgrades.

On another note we have all seen firsthand the impact of the floods throughout our state over the last week and will continue to see the impacts going forward. I hope you all and your employees and families are safe. If there is anything Verizon or I can do to assist during these times please do not hesitate to reach out. We will all get through this together by helping one another out.
