Christian,

I hope this email finds you doing well. I would like to request 15 minutes of your time to meet with several executives from Oracle. They will be in SC during on October 24th 25th and 26th. There will be no ask of you or the administration but they would like to brief you on some of their new products and some of the positive State programs they are currently working on across the country. Thank you and I look forward to hearing from you regarding this meeting request.
