Dear Friends:

On this day, the people of the Palmetto State, I am pleased to send congratulations as you celebrate the 25<sup>th</sup> Anniversary of the Vedic Center of Greenville.

It's a joyous day in South Carolina as we recognize the Vedic Center for 25 years of service to the Indian community of Greenville. The observance of this milestone offers a special opportunity to reflect on your past accomplishments while looking forward to future opportunities. In addition to serving the religious and cultural needs of its members, the Vedic Center has taken an active role in promoting inter-cultural awareness and understanding through the development of cooperative relationships with other faith communities and organizations. Affirming our commitment to interfaith harmony, religious liberty, and tolerance for diverse traditions and beliefs contributes to our continued strength and prosperity, and I would like to thank the Vedic Center for fostering appreciation for the different faiths, beliefs, and cultures found in the Palmetto State.

Michelle. I wish you well for a memorable evening. God bless.

My very best,

Nikki Haley
