Subject: H 3532 - Child Care Bill

Attachments: SS4000PR03114041010280.pdf

---

Shannon Erickson got this bill amended – a strike and insert. The proposed language is attached. They want the Joint Legislative Committee on Children and The Governor’s Advisory Committee on the Regulation of Child Care Facilities to work together on review of the child care laws and regulations, and report back to the legislature by January 2015.

We still expect Rep. White to try to push the original language through anyway; as you know, the House is in chamber now.

I think we have 3 seats still left to fill on the Governor’s Committee. Let me know if you need further information. L
