Dear Ms. Haley,

I moved to Due West in Abbeville County about a year ago, to be close to family. I have come to regret that decision after seeing the amount of litter and trash that is everywhere I go. In 2014, SC was rated worst in the nation for cleanliness, and I see why.

I invite you to come and take a tour of the Upstate, especially the rural roads, and see for yourself the condition of our area. I'll give you a personal tour! I think you'll be appalled and embarrassed to see what is happening. What a shame for SC. Whatever initiatives that are in place are very obviously not working.

I'd be very happy to discuss this with you. I've been contacting local people, but as governor of this state, I hope you see the extent of the problem.

I'm a Registered Nurse and concerned citizen.

Sincerely,

Linda Coughlin
