Thinking of heading outdoors this weekend? Practicing #LeaveNoTrace principles helps us -- and our parks! Great article by Kidding Around Greenville, SC! #ThanksForYourHelp

Dos and Don'ts to "Leave No Trace"

Aimed at minimizing human impact on nature, the seven principles of Leave No Trace give us some concrete habits to incorporate into our time outdoors.

Duvy Rockholt My biggest litter complaint involves those little doggie poop bags that some parks provide. The intended purpose is to pick up the poop in the bag and dispose of it in the designated receptacle. Unfortunately, a lot of people just toss the bag into the woods, where it will take months to disintegrate. Better to just cover the poop with leaves - gone in a day!

Kerri Kennedy I wonder if they really meant to use that picture without editing the....graffiti.... out of it.

Charlene Girten People that litter don't care about anyone but themselves. Poor Earth, poor us. So sad. ☹️

Willow Woods Such a beautiful state but so many trashy people. Seriously thinking of relocating.
