Subject: ESSA Engagement

Swati and Holly-

I wanted to touch base with you both regarding the requirement under ESSA for stakeholder involvement and the requirement that each state have the signature of the Governor on the plan submitted in Spring 2017 to the USED. Please let me know any particular stakeholder groups your office would like the department to contact. At this time we plan to engage education stakeholder groups to include parents and include workforce and economic development groups. Also, please advise of particular issues on which your office would like to focus.

I am happy to speak with you regarding details and will keep you apprised of key dates and drafting plans moving forward. I want there to be clear and open communication so that your office feels comfortable and confident with the state plan as it will need to have the signature of both the Governor and the Superintendent.

Best Regards,
Emily
