The Meeting is scheduled for 2pm and it is recommended that you show up about 10 minutes early to go through security. A photo id is required. You will be met at security by staff named Nicholls or Richard. Your meeting will be with Dan Berger, Acting Assistant Secretary for ACL and Edwin Walker, Deputy Assistant Secretary.

The ACL/HHS address is: 330 C St SW, Washington, DC 20416

Joyce did not include a phone number for Berger's office so I am tracking that down.

Importance: High

Gerry,
Sorry for the delay: These are the steps: HHS/ACL address is 330 C St SW, Washington, DC 20416. The recommendation is that they should arrive about 10 minutes early to go through the security screening process. They will need some form of official photo ID on their person. Nicholls, Richard (ACL/OA) or another team member will greet them at the security desk and take them to the conference room where they will meet with Dan and Edwin.

Let me know if you need additional information.

Joyce.

Joyce - In addition to Darryl, the Lt. Governor will be joined by his Chief of Staff Danny Varat. He will also have a security detail but they will not need to be in the meeting.

Here are the hot issues you requested:

HOT issues that are current in South Carolina.

- Legislation pending on moving SUA to new Department of Aging. We want the new department to be

OAA/ACL compliant (We have already asked ACL-Atlanta for guidance when needed).

- New client assessment policy starts on July 1. This eliminates the conflict of the contracted providers assessing, selecting clients, and providing the service. The AAAs will conduct assessments at the regional level and select the clients. SUA has worked closely with ACL Atlanta for guidance in developing new policy.
- SC's senior population is growing significantly and is expected to double by 2030. Our state has serious issues with senior poverty and senior hunger (SC ranks 3rd in the nation with food insecurity for seniors age 60 and over).

Hot issues or area of concern the Lt Governor may want to discuss at the time of **this visit**.

- Does ACL expect budget cuts and how will those cuts affect SC?
- How will the SHIP (State Health Insurance Program) cuts be addressed by ACL and what is the impact to the SC SHIP?

Gerry,
We need to get the time and date completed first. I am the person in the middle. So I am waiting for your people and then the response from those in my office. Thank you for our patience.

Thank You for everything you've done Joyce. Darryl is not back in the office yet from Senior Day at the Statehouse so I have shared your email with him about Mr. Barger and Mr. Walker. I am out of the office on Friday for a medical procedure and asked him to do everything possible to finalize the details today if possible. If not, he will hopefully contact you directly tomorrow. I have attached Darryl's bio to this email.
