I just ran into John and he asked me about this request. Have you had the chance to speak to the Lt Gov about this?

Lily

Good morning Lily,
To exchange the Lt. Gov plate to a regular plate on his truck, we would need a copy of the registration card and a check for \$45.00. This would extend his registration an additional year.
To get the "P" tag, it would be best to go to one of our field offices in order to do the transaction. The fee would be based upon the declared weight of the vehicle and there may be some other possible questions.
Contact me if you have other questions.

Hi John,

I just wanted to follow up you regarding the tag for the Lt. Governor's vehicle that I spoke to you about earlier this week. Also, please see the attached email from Danny Varat requesting a "P" tag. Can you also help me with this request?

Thank you!

Lily

The store also has a F250 , and his brother would like a "P" tag. Can you please ask DMV how we can go about that? Thanks
