Subject : FW: New proposed number of arrivals

Attachment : Charleston Legislators letter.pdf;image001.jpg;

This was just received from Bedrija. There is an increase in the numbers sent yesterday.

FYI, the proposal for the sub office in Charleston was included with last year's discussion. LSC has not opened the office in Charleston but still plans to do so.

Subject: New proposed number of arrivals

Importance: High

Hi Dorothy,

LIRS and other national Volags were asked by PRM to increase their capacity, and this morning, they suggested to LSC to increase our proposed numbers up to 400. This would be total number of new refugees to be served by LSC through our Columbia and Charleston offices. (100 – 150 in Charleston; 250 – 300 in Columbia).

We need to be able to provide our response as soon as possible but would need your input about this proposal.

Please let me know if you have any questions.

Thanks,

Bedrija
