Dear Katherine---

It was so good running into you yesterday. I hope you're doing well. Thanks so much for agreeing to help me with several appointments I would like to recommend to Gov. Haley.

For the South Carolina State Housing Finance & Development Authority, I would like to recommend Darrin Goss. I submitted a letter to the Governor with his resume several months ago. But I have yet to receive a response. Mr. Goss is an excellent candidate and is willing to serve.

For the South Carolina Cosmetology Board, I'd like to recommend William "Bill" Deck, from Greenville. He is a licensed cosmetologist and owner and operator of his own salon. He is very willing to serve in this capacity. I have not sent the Governor any information on this candidate. Please advise what paperwork I should complete for him to be considered.

And while I have your attention, can you please check on a invitation I extended to the Governor in Feb. then again on May 17 to attend a women's luncheon for ATHENA International Women's Leadership Day in Greenville on Tues. Sept 20. The Governor told me on May 12 that she considers legislative request of this nature a high priority. However I have not received a response from her office on this matter.

Any assistance you can offer me on these items would be greatly appreciated. It's just great knowing that you're willing to help me.  
Many thanks!

Chandra
