So, I went to re-up for the 2021 year. Believe I paid \$50- last year for my pass. Was shocked to discover this year's pass doubled to \$99-😬WTH??? Oh, goodie - the new pass gives me access to all the parks. I'm not interested in all the parks. I just want access to Paris Mtn. There's a "Select Park Passport" for \$75- but guess what? Paris Mtn is not part of that pass😬My tax dollars at work? Not pleased...

Yes, our park passports changed at the beginning of 2020. We will have a special on them during our 12 days of deals Dec. 1-12, if you'd like to wait on that. Thanks!
