**Subject:** Looking for a flood damage estimate update

---

I am doing a story for the holiday weekend with a few updates on the flood (roads, mosquitoes, agriculture, etc). I wanted to check and see how close we are to getting a dollar amount for the total damage done in the state by the floods. If you've got it, great, I'll take it. If y'all haven't got it all tallied up, I just wanted to give an update on how far along y'all are and how much longer it might take.
