Dear Tracy,  
*My name is Bob Quinn.;e-mail:robertquinn@earthlink.net*

*You are on my e-mail list and receive copies of each letter I write re Obama's ineligibility to act as our President.Due to my advanced age (82) and diabetes,etc.,I normally do not on-forward incoming e-mails since I only have about 2-3 hours daily to be on my computer.I've been writing for 6 years about the eligibility issue and am sending the below e-mail to all on my e-mail list with the fervent hope that many will send funds to you in your fight for the same cause.I also know Terry Lakin, who receives my letters.*

*I trust that the above e-mail address ([tracysplace2002@verizon.net](mailto:tracysplace2002@verizon.net) <<mailto:tracysplace2002@verizon.net>>) is proper for your address. Wishing you the best,I remain....robert quinn*

## **Final Email from the Terry Lakin Action Fund: An Important Case Needs Your Support Now**

January 20, 2015

Thank you to the many who have followed Terry's story. Terry and his family have relocated and they are rebuilding their life day-by-day. **However, be assured, Terry has not wavered in his commitment to the bold action he took in defense of our Constitution.** He is so appreciative of the many who have continued to aggressively pursue the issue of Constitutional eligibility.

**We now have a case from Maryland with some merit. Tracy Fair has worked systematically and diligently to prepare a case that she may take all the way to the Supreme Court.** It may seem hopeless. *However, as long as some court is willing to listen, as long as someone is willing to work, as long as we have the freedom to pursue justice, we must keep trying.*

**Please review Tracy's hard work. She has systematically built her case.**

**And she has found a way to move this case forward for less than \$3000. Not hundreds of thousands, but just \$2200. Follow this link to help her:**

There are more than 4000 people on Terry's list. We are asking every one of you to make a generous donation to Tracy's work. We've spoken with her and she is exactly like so many others. Modest, hardworking, and diligent. Much like Charles Kerchner, Miki Booth, Terry Lakin, Mike Zullo, myself, and many others, she has extended herself and her resources to the limits.

**Tracy needs our help. Please consider making a contribution right now.**
