Nikki is missing an opportunity to get votes by endorsing/visiting/showing what's going on here to improve education for this segment of voters! Denis

Hi Fellow Board Members,

First there was of the article on NOC, which was published on Friday at [Marketwatch.com](http://www.marketwatch.com/story/money-is-not-the-answer-for-our-bloated-public-education-system-2014-08-29):

Then, the new September issue of Hilton Head Monthly, which was just released, featured an article on Dr. Sharma and NOC:

Whether you say that the stars are in perfect alignment, or if you prefer, this media coverage is the perfect storm, we all should have added confidence when asking people whom we know to support NOC. Certainly our new video along with these two articles—one with an international/national reach and the other with a strong local readership—should provide proof that NOC is a nonprofit worth consideration when it comes to making a donation.

I hope you have a great holiday weekend,

Ally
