Columbia, SC 29211**

**Re. SC State Board for Technical and Comprehensive Education  
At-Large Member Recommendation**

**Dear Governor Haley:**

**I strongly support the nomination of Spence Taylor, M.D. for an at-large seat on the South Carolina State Board for Technical and Comprehensive Education. Dr. Taylor serves as vice president of physician engagement and president & chief academic officer of the Greenville Health System (GHS) Clinical University, overseeing all academic initiatives at GHS.**

**He has worked with Greenville Technical College leaders to strengthen ties between the healthcare provider and the college so that GTC can meet the hiring needs of healthcare providers in the Upstate and beyond with skilled professionals for allied health positions. He has played a critical role in recent initiatives including an agreement through which our two-year nursing graduates who qualify have the opportunity to work for the system while completing a bachelor's degree. Through these efforts, he has gained a better understanding of the important role our state's technical colleges play in meeting hiring needs, experience which I believe would serve him well on the board.**

**I believe that Dr. Taylor would add to the diversity of viewpoints represented on the board with his experience as a professor and an administrator and his knowledge of healthcare needs in South Carolina and the nation. Based on the strengths he can bring to the board opening, I hope that you will give his nomination your careful consideration.**

**Sincerely,**

**Keith Miller, Ph.D.  
President**

Re: SC State Board for Technical and Comprehensive Education,  
At-Large Member Recommendation

Dear Governor Haley:

Dr. Keith Miller, President of Greenville Technical College, has informed our office that he is recommending Dr. Spence Taylor for the At-Large seat on the South Carolina State Board for Technical and Comprehensive Education. Dr. Taylor is the President and Chief Academic Officer of the Greenville Health System Clinical University.

I would like to forward Dr. Miller's recommendation to your office for consideration. We understand he is well qualified to serve and would be a great asset to this Board.

Thank you for your consideration.

Sincerely,

*Wendy Nanney* <sup>1RS</sup>

Wendy Nanney, Chairman
