I am writing you to formally request that the director of the department of corrections be asked to testify regarding their practice of taking inmates to Planned Parenthood and a full accounting of taxpayer funding for procedures along with a list of procedures paid for with Planned Parenthood.

Based on photos and eyewitness testimony I firmly believe that a further investigation into this matter is warranted.

Thank you for your time and consideration. I look forward to speaking with you personally on November 12th.

Rep. Donna Hicks
