Thank you,

Please sign bill S.1016 into law. It will protect the citizens of South Carolina from receiving an eye examination by going online.
A proper eye examination includes evaluating the patient for diseases such as glaucoma, macular degeneration, retinal diseases, and other pathology of the eye.
Also, systemic diseases such as diabetes, hypertension, and high cholesterol can be diagnosed sooner, therefore, enabling people of South Carolina to be healthier while holding down health care cost.

Dear Governor Haley,
