Subject: FW: Stop Accepting All Refugees

Dear Governor Haley,

Please see the email below to Spartanburg County Council that expresses additional concerns from our citizens about the South Carolina refugee resettlement program. It is County Council's understanding that you have the sole authority over the State's participation in the federal refugee resettlement program. As I shared in my phone message to you, County Council is concerned about the safety of our citizens. It would be helpful to me to speak with you on behalf of County Council to have a better understanding of the current status of the State's program.

Your assistance with providing a response to this citizen's concerns is greatly appreciated.

Sincerely,

Jeffrey A. Horton, Chairman
Spartanburg County Council

Subject: Stop Accepting All Refugees

Debbie to protect the citizens of Spartanburg County from terrorist violence, I would strongly encourage the Spartanburg County Council to follow Greenville County's lead by passing a resolution to refuse to accept all refugees from the Federal Government. The Federal Government has demonstrated a complete inability to secure our borders and cannot be trusted to adequately vetted these refugees. The County Council's failure to do so places Spartanburg County citizens and all neighboring County Citizens at significant risk of terrorist violence. Please do the right thing for the citizen's lives you are responsible for.

Thanks,

Mike
