MEDIA ADVISORY
South Carolina Disaster Recovery Office
Offers Tour of Replacement Manufactured Home for October 2015 Storm Survivors

WHO: South Carolina Disaster Recovery Office (SCDRO)

WHAT: SCDRO provides a tour of a manufactured home that will be used to replace some homes destroyed by the October 2015 storm.

WHEN: Thursday, November 17, 2016

TIME: 1:00 PM to 3:00 PM

WHERE: South Carolina Disaster Recovery Office
632 Rosewood Drive
Columbia, S.C.

RE: SCDRO will answer media questions about the ongoing long term recovery process. Members of the media may walk through and film inside and outside the manufactured home. The long term recovery program is designed to assist low to moderate income households and focuses on the repair or replacement of homes for the state's most vulnerable citizens.
