Chaney,

Good day.

Our trip to SC next week to do the show is taking shape. We'd love to interview Gov. Haley for our special edition of "Matter of Fact" with Fernando Espuelas. We'll be on the ground on Tuesday, Wednesday and Thursday. Is there an opening to do an interview in her office? I'd like to book this if we can.

She'd be so key to the discussion of the issues in SC and the GOP race.

Let me know your thoughts. I know the schedule is tight. We'd be as efficient as possible.

My thanks for your time.

Rita
