Subject: Subject: Save the Date - SC BIPEC Annual Meeting

Dear Governor Haley,

SC BIPEC's 29th Annual Meeting on the first day of the 121st General Assembly will provide what you have come to expect. It will be a substantive and entertaining series of discussions on matters of importance to you, your constituents and South Carolina's leaders and employees of business and industry. Often referred to as "the premier political event for South Carolina's business community," this year's meeting promises to deliver panels that are informative and engaging.

BIPEC has a history of memorable debates including numerous *Presidential*, *US Senate*, *Gubernatorial* and *Political Party* debates and spirited discussions by leadership on both sides of the aisle. The 2015 Annual Meeting will be no exception as members of South Carolina's elected leadership meet to discuss issues of great importance to South Carolina.

SC BIPEC's 29th Annual Meeting will be held on Tuesday, January 13, 2015, from 3:00 to 5:45 PM at the Marriott located at 1200 Hampton Street, Columbia. This event is your opportunity to discuss issues of interest and preview the upcoming legislative year with business and industry leaders and your fellow elected and appointed officials. Additionally, we will continue our tradition of awarding the prestigious "*Sword and Mace*" award to legislators who have achieved a score of 100 on the SC BIPEC Legislative Scorecard.

Please contact Tom DeLoach at (803) 254-0476 or deloach@scbipec.com with any questions you have.

Sincerely,

Thomas O. DeLoach
President & CEO
