Hey Darrell. I apologize for putting you off. Could we talk Monday or later today? I have been slammed!

Richele

Subject: Time for a Call?

Richele:

Do you have 5-10 minutes today for a quick phone call regarding DSS child support enforcement system?

I wanted to give you a quick snapshot of my involvement with a vendor and just get some additional insight from you.

Hope you're doing well and look forward to talking soon!

Thanks!

Darrell
