This is a weird questions, but I saw that Paris Mountain State Park had jams, and other food products labeled for them. But they don't say where they're made. I would like to know if they are really local products, and the ranger in the office didn't know. Can you help me?

DAY 12! We've got 36 passports distributed to 12 different parks! The first three visitors or families who arrive at one of these 12 parks and greets a ranger will be given either a Park Passport Plus, a statewide Park Passport or an inland Park Passport. Here's a clue:

Enjoy this twelfth day of deals by hunting for the parks with passports. But don't hunt for more than 150 minutes. For this day, we hope your table will be set with great food including a kiwi, your well will be full of water, you will have friends knocking on your door, your worries will be little, you branch out for new experiences and if you are taking the redeye to Paris, safe travels!
