Subject: Bilbro case--Third Amended Compalint filed

All—as you will see from the attached, Plaintiff filed a purported Third Amended Complaint today. Only three State Defendants were named this time (Governor and two DSS officials—essentially the same as when the case started). Based on a brief review, I don't see much, if any, improvement over the last version.

Per Judge Anderson at the mid-October hearing, no response from the Defendants will be necessary unless Judge Anderson so orders.

I'll let you know what happens next.
