Dear GMM Clients, Friends and Colleagues,

As I am sure you are aware central South Carolina is expected to receive record breaking rainfall this weekend. The potential for dangerous driving conditions and flooding is extremely high. First and foremost, be careful when driving this weekend. If at all possible, stay off the roads altogether until the rains and water dissipates. IF you must drive, do NOT attempt to drive through standing water or moving water on the roads. Always assume it is deeper and moving faster than you think. 2 inches of moving water can take a car off the ground and move it wherever it wants to.

If you need to get in touch with us this weekend, please call or text Marilyn Gray at 803-730-1241 or Steven Highberger at 803-315-6853. You can also contact your insurance company's claims department 24 hours a day. The phone number is located in your policy or for auto insurance, it is located on the back of your ID card.

Remember cars and property can be replaced, people can't.

Thanks for doing business with us.

Sincerely,

Marilyn Gray, President  
Steve Highberger Vice President
