Significant Architectural Features: The 3-part building is U-shaped, clad in ribbed metal, with a combined flat and low pitch gable roof covered in ribbed metal. Faces south, with two roll top vehicular doors and two pedestrian doors on front.

Alterations: A rectangular addition was added to the west of the original block, creating an L-shape, and likely dates to 1981. A smaller rectangular addition was added to the south of the original block at the southeast corner, creating the current U-shape.

Architect(s)/Builder(s): Unknown

Historical Information

Historical Information: The prefab industrial building is not associated with historically significant events, themes, people, or architectural characteristics that are original, distinctive, or typical of a style, type, or master. It is unlikely to yield historical data.
