Subject: Discounts up to 86% off plus New Itineraries from the World's Top Cruise Lines

Dear Mr. Kester,

Today, I'm pleased to present these **money-saving offers from Celebrity, Princess, Oceania, Seabourn and Carnival**. They include shipboard credits, which are as good as cash on the ship and can be used toward onboard purchases not covered in the cruise fare, like bar purchases and spa treatments.

Celebrity has an exclusive offer on 2016 Europe voyages for our customers: Save up to 83% and get shipboard credits of up to \$375 per cabin. Plus, book an ocean-view cabin or higher on sailings in June and beyond and choose two of the following perks: 1) an additional shipboard credit of up to \$300 per cabin, 2) free gratuities, 3) a free Classic Beverage Package that includes alcoholic and nonalcoholic beverages or 4) unlimited Internet. [See dates and prices.](#)

Princess is offering our customers great discounts -- save up to 86%. Also enjoy exclusive shipboard credits of up to \$685 per cabin and a reduced deposit of just \$100 per person on a variety of voyages. Select Mediterranean sailings on the Royal Princess and Pacific Princess also qualify for free gratuities. Past guests may see better rates on certain sailings. **Book by May 8.** [See dates and prices.](#)

Oceania has reduced fares for our customers by up to 84%. As a bonus, receive exclusive shipboard credits of up to \$2,525 per cabin on many upcoming departures. And on select sailings, also receive free unlimited Internet and your choice of either free drinks or up to five free shore excursions. [See dates and prices.](#)

Seabourn is offering our customers discounts of up to 86% off its six-star cruises. Select voyages qualify for shipboard credits of up to \$750 per cabin. Seabourn fares include open bars, fine wines at lunch and dinner and gratuities. [See dates and prices.](#)

Carnival is offering Vacations To Go customers fantastic savings of up to 82%. Also pay reduced deposits on nearly every deployed sailing as follows: \$49 per person on cruises of nine nights or less, and \$149 per person on cruises of 10 nights or more. Past guests may see better rates on select sailings. **Book by April 30.** [See dates and prices.](#)

As always, these offers are for new bookings only and subject to availability. Restrictions may apply.

Most of the world's top cruise lines have released their itineraries for spring 2017 and beyond. I've listed them, by cruise line and sailing region, below.

While the best markdowns in the cruise industry occur within three months of the departure date, and right up until the day of departure (click our world-famous [90-Day Ticker](#) to view those great deals), there are a few situations where I recommend booking your cruise more than 90 days in advance.

If you are committed to a specific itinerary and departure date -- especially if it's a unique, one-of-a-kind itinerary -- it's best to book early to secure your spot.

If you have your heart set on a specific type of cabin -- for example, a midship balcony suite that provides breathtaking views of the Inside Passage during an Alaskan cruise -- you'll want to book sooner rather than later. The best cabins typically sell out first.

Families that need staterooms that accommodate more than four people, or two adjacent staterooms with a private connecting door, should book early, especially for peak family travel times such as spring break,

summer and the winter holidays. Such staterooms are few in number and will be filled far in advance of departure.

And speaking of families, most of the large family groups we book prefer to dine together at the early dinner seating in the ship's main restaurant. If you book early, there's a better chance of getting everyone into that same dinnertime slot.
