I COULDN'T SPOT ANYTHING HE LEFT OUT

I Am the Democratic, Republican
Liberal-Progressive's Worst
Nightmare. I am a White,
Conservative, Tax-Paying, American
Veteran, Gun Owning Biker. That's
me!

I am a Master Mason. I work hard
and long hours with my hands to
earn a living.

I believe in God and the freedom of
religion, but I don't push it on others.

I ride Harley Davidson Motorcycles,
and drive American-made cars.

I believe in American products and
buy them whenever I can.

I believe the money I make belongs
to me and not some liberal

governmental functionary,
Democratic or Republican, that
wants to share it with others who
don't work!

I'm in touch with my feelings and I
like it that way!

I think owning a gun doesn't make
you a killer; it makes you a smart
American.

I think being a minority does not
make you noble or victimized, and
does not entitle you to anything. Get
over it!

I believe that if you are selling me a
Big Mac or any other item, you
should do it in English.

I believe there should be no other
language option.

I believe everyone has a right to
pray to his or her God when and
where they want to.

My heroes are Malcolm Forbes, Bill
Gates, John Wayne, Babe Ruth,
Roy Rogers, and Willie G. Davidson,
who makes the awesome Harley
Davidson Motorcycles.

I don't hate the rich. I don't pity the poor.

I know wrestling is fake and I don't waste my time watching or arguing about it.

I've never owned a slave, nor was I a slave. I haven't burned any witches or been persecuted by the Turks, and neither have you!

I believe if you don't like the way things are here, go back to where you came from and change your own country! This is AMERICA ... We like it the way it is and more so the way it was ...so stop trying to change it to look like Russia or China , or some other socialist country!

If you were born here and don't like it... you are free to move to any Socialist country that will have you. I believe it is time to really clean house, starting with the White House, the seat of our biggest problems.

I want to know which church is it, exactly, where the Reverend Jesse

Jackson preaches, where he gets his money, and why he is always part of the problem and not the solution? Can I get an AMEN on that one?

I also think the cops have the right to pull you over if you're breaking the law, regardless of what color you are, but not just because you happen to ride a bike.

And, no, I don't mind having my face shown on my driver's license. I think it's good....

And I'm proud that 'God' is written on my money..

I think if you are too stupid to know how a ballot works, I don't want you deciding who should be running the most powerful nation in the world for the next four years.

I dislike those people standing in the intersections trying to sell me stuff or trying to guilt me into making 'donations' to their cause....Get a job and do your part to support yourself and your family!

I believe that it doesn't take a village

to raise a child, it takes two parents..

..

I believe 'illegal' is illegal no matter what the lawyers think!

I believe the American flag should be the only one allowed in AMERICA ! If this makes me a BAD American, then yes, I'm a BAD American. If you are a BAD American too, please forward this to everyone you know...

We want our country back!

My Country..... I hope this offends all illegal aliens.

My great, great, great, great grandfather watched and bled as his

friends died in the Revolution & the War of 1812.

My great, great, great grandfather watched as his friends died in the Mexican American War.

My great, great grandfather watched as his friends & brothers died in the Civil War. My great grandfather watched as his friends

died in the
Spanish-American War.

My grandfather watched as his
friends died in WW I.

My father watched as his friends
died in WW II.

I watched as my friends died in
Vietnam , Panama & Desert Storm.

My son watched & bled as his
friends died in Afghanistan and Iraq
..

None of them died for the Mexican
Flag.

Everyone died for the American flag.

Texas high school students raised a
Mexican flag on a school flag pole,
other students took it down. Guess
who was expelled...the students
who took it down.

California high school students were
sent home on Cinco de Mayo,
because they wore T-shirts with the
American flag printed on them.

Enough is enough

This message needs to be viewed by every American; and every American needs to stand up for America .

We've bent over to appease the America-haters long enough.

I'm taking a stand.

I'm standing up because of the hundreds of thousands who died fighting in wars for this country, and for the American flag.

If you agree, stand up with me.

And shame on anyone who tries to make this a racist message.

AMERICANS, stop giving away Your RIGHTS ! Let me make this clear! THIS IS MY COUNTRY !

This statement DOES NOT mean I'm against immigration !

If you don't want to forward this for fear of offending someone, then
YOU'RE PART OF THE PROBLEM
!

We've gone so far the other way . . .
bent over backwards not to offend anyone.

Only AMERICANS seems to care
when American Citizens are being
offended !

If you do not Pass this on, may your
fingers cramp !

Made in the U S A & PROUD OF IT!
