

# YOUR GATEWAY TO INDIA

## and the lucrative business opportunities therein

**CHANGEXCHANGE 2016** - The IEEMA Reverse Buyer Seller Meet at ELECRAMA offers an unparalleled vendor access opportunity for buyers to reach out to Indian manufacturers of high quality but immensely competitive electrical equipment and components.

The previous edition of **CHANGEXCHANGE** in 2014 attracted over **400+** buyers from **42 countries** who transacted business worth **US\$150 million** over **6000** meetings in a period of 3 days. This initiative is supported by the Ministry of Commerce & Industry, Department of Commerce, Government of India.

**CHANGEXCHANGE 2016** - 3rd IEEMA Reverse Buyer-Seller Meet is being organised together with ELECRAMA-2016, the premier showcase of Indian Electrical Sector and World's largest confluence of the power transmission and distribution

community. Held biennially since 1990 in India, the tenth edition, ELECRAMA-2014, hosted **970 exhibitors** from India and across the world, also attracted **1,00,000+** footfalls into the exhibition.

The event is being organised by IEEMA which represents the entire Indian electrical and industrial electronics industry. Indian Electrical & Electronics Manufacturers' Association (IEEMA) is the apex industry association of manufacturers of electrical, industrial electronics and allied equipment in India. IEEMA has around 800 member organisations encompassing the complete value chain in power generation, transmission and distribution equipment. IEEMA members represent a combined annual turnover in excess of US\$ 25 billion and have contributed to more than 90% of the power equipment installed in India.
