Breakthrough to Excellence!

We hope you can join us at the 2017 Mediware Customer Conference for "Breakthrough to Excellence: Building on the Best" We are heading to the Big Easy, August 7-9, 2017, and look forward to making this event our best conference yet! We have a full agenda of sessions for our Medicaid LTSS customers, along with two full SAMS tracks, for new users to advanced users. And, we've expanded our Behavioral Health tracks, too.

We invite you to visit our conference website and agenda to:

- Check out this year's lineup of industry speakers touching on important hot button issues within the current legislation
- See the future enhancements coming to Harmony and AlphaFlex (BH) products
- Learn best practices from current customers
- See this year's activity night dinner plans
- Get registered!

Registration is now open and closes July 28, so don't delay!

We hope to see you in NOLA!
