**South Carolina State Parks**

at 13:52:39 on 8/16/2017 UTC · 🌐

Please be advised that many of our parks have SOLD OUT of their supply of solar eclipse glasses. If you plan to attend an eclipse event at a park, please be prepared with your own glasses or contact the park in advance to see if they still have glasses for sale.

**Skye Kay** Does anybody have any idea where to get some

at 14:17:00 on 8/16/2017 UTC

**Scott Kaplan** I bought a welding shield glass from Praxair on Ashley phosphate

You need a single 14 shade or two that add up to 15, a few dollars each
