Subject: Walmart, Giti Tire and South Carolina - A Great Partnership!

Dear Kevin Bryant,

It was an exciting week in SC! I wanted to make sure you saw the Giti Tire's announcement, where I was honored to be a part of the opening celebration with Walmart's US CEO Greg Foran, Giti Chairman Enki Tan and Governor Henry McMaster. This tire manufacturer will be creating 1,700 local jobs in Richburg, South Carolina as part of Walmart's commitment to purchase an additional \$250 billion in products supporting American jobs by 2023. In order to meet the growing demand of Walmart and the North American market, Giti Tire has committed to invest \$560 million in a new 1.7 million square-foot facility in Richburg and create new jobs in Chester County over the next decade.

I would be happy to provide any further information or answer any questions that you may have. For more information and a recap of our Giti Tire U.S. Manufacturing event, please click [here](#). This video only captures half of the energy Wednesday!

Best regards,

Brooke
