If you have time please review and let me know if you have objections. Otherwise this concept (language not final yet) will be incorporated in Davis amendment. I'm reviewing as well.

Swati,

This is the amendment we discussed earlier this morning. Most of the structural framework is in the first several pages. The remainder is where David is moving the Retirement Investment Commission statutes to a more appropriate section of the Code.

I would not characterize this as fully endorsed by the all six members of the Special Retirement Subcommittee. But, I do think Senators Ryberg and Alexander feel pretty comfortable with the structure.

Please let me know if you have questions.

Thanks, Mike S.
