Christian

Would 10:00 am on Wednesday work?

Cindy

Ps I am having trouble sending emails so if you get multiple copies of this you will know why. I have poor reception.

Hi Christian

I am so sorry but would it be possible to reschedule to Wednesday at 5:00? My husband scheduled us for something on Tuesday that I wasn't aware of. I again apologize for the confusion.

Hi Christian
I can talk on Tuesday at 5:00 if that will work for you.

Do you want to call me on my cell at 843-861-9233? Alternatively, if you want to send me a call in number that would be fine also.

As Jimmy may have mentioned, I would like to get a better idea of the scope, goals, time commitment, etc.

Please just confirm if this time and date will work. I look forward to speaking with you.

Ms. Hartley,

I've been helping the Governor identify candidates for appointment to the new Public Employee Benefit Authority. I know you're on vacation right now, but understand that you might be available for a phone call to discuss PEBA and the roles and responsibilities of those who will be appointed to its board. Would you be available anytime between 3 and 5PM on Tuesday, or essentially anytime next Wednesday to talk?

I'm copying Bill Blume on this message - he is the Director of PEBA, and would also participate in the call.

Thanks for your time and interest.
