Chaney,

Hey, I'm to understand that the governor has removed J. Marie Green and Barbara Mickens from the Richland County Recreation Commission board. Could you provide a copy of any order or document indicating those removals?

Thank you,

Hey Chaney, hope you are well and having a nice holiday season.

Couple questions:

1. Has Gov. Haley received recommendations from the three panelists as to the fate of the remaining three Richland County Recreation Commission board members (Green, Mickens, Clark)?
2. When do you expect Gov. Haley might make a final ruling as to those three board members?

Thank you for any help. Working on a follow-up to last week's hearing.
