Subject: Thank you

You are so busy with Hurricane Matthew and all the flooding issues, but I will make this short. No Governor has ever impressed me as much as you, and I thank you for your pre-storm directives, your constant necessary updates, and now your post-storm/flooding directives/updates. You, your staff and your Rock Star James (your signer) have been so instrumental in working with your state and keeping us safe. All that you have done and the many hours put in (with little, if any, sleep) shows the caring you have for the people of SC. And all this shows in the low number of casualties. Thank you for leading us and protecting us thru Matthew. I wish you would be allowed to stay on as our Governor -- we need YOU -- you have done so much great 'stuff' beneficial for our state. THANK YOU!!!!
