Holly here is a draft release, please proof it and let me know if you have any changes. If not can you please include it in your background email to Amy?  
Also, I figured we might want to tell her that more people might join the Advisory Board but you may have already done that.  
Thanks

### **Gov. Nikki Haley Announces One SC Fund**

#### *Charleston's Stephen Colbert Joins Haley In Flood Relief Fundraising Effort*

**COLUMBIA, S.C.** – Governor Nikki Haley and Central Carolina Community Foundation (CCCF), a 501(c)(3) non-profit organization serving South Carolina since 1984, today announced the One SC Fund, a fundraising effort that will help South Carolinians who are recovering from unprecedented flooding continue the re-building process.

“Neighbors helping neighbors is what we do best, and we know we still have neighbors, family and friends who are only beginning the process of re-building,” said Gov. Nikki Haley. “When flooding struck our communities, Team South Carolina responded, and we’re incredibly grateful for that. The One SC fund is another way for Team South Carolina to make sure we have all the resources needed to re-build stronger and better. “

Flooding across the state touched the lives of South Carolinians from every walk of life, and, in doing

so, inspired South Carolinians here at home and across the country to join in the relief effort.

The following South Carolinians from entertainment, business and public service have joined the governor's relief effort and agreed to serve on the One SC Fund's leadership committee:

- Governor David Beasley
- Tajh Boyd
- Stephen Colbert
- Marcus Lattimore
- Edwin McCain
- Craig Melvin
- Charleston Mayor Joe Riley
- Steve Spurrier
- Dawn Staley
- Dabo Swinney
- Anita Zucker
