John,

Under §9-4-10(D), PEBA's board members serve two-year terms beginning on July 1 of even-numbered years. There is also a special certification process (to the Secretary of State's office) that is provided for in that section.

The Governor has approved a reappointment of her current appointees (Bjontegard, Heisler, and Matthews) to take effect this July 1. I spoke to Art Bjontegard today, who is willing to be reappointed, and will contact the other two ASAP. Do you mind pulling together the appropriate paperwork so that we can ideally process those this week? I'll let you know once the other two have said they're in. Thanks.
