Subject: Steven Spagnoli Exoneration

Dear Governor,

Hello, I hope this finds you well. Please Allow me a few moments - I used to Sleep at the Foot of OLD GLORY Salute my Pledge of Allegiance (Before School) do it again at school with everyone students and staff, First thing our pledge of Allegiance to the Flag of the United States of AMERICA, then Sing "God Bless America", everyday!

In New York with the Vietnam War and Racial ~~Tension~~ tensions, My Father was a Korean War Vet and disabled New York City Fireman when he suffered injury on the Job. He turns 81 this July. He is South Carolina resident since 1970's. So for the crime of protecting myself and family from immediate threat from two Black Thugs who were shot, on my property late at night. York County was quick to Judge and Convict me right off the bat.

I want to go home and visit with my Family.

The Supreme Court says, There was not a final decision made regarding my case.

Will you please pardon me or at least appoint some one to exam my case?

Cordially, Steven Spagnoli SCDC # 350895
