Subject: Cigarette Surtax for Medicaid

Christian,

I have talked with Frank Rainwater who is preparing us a revenue estimate for FY 12-13 and FY 13-14 for the Cigarette Surtax. Based on this estimate and our projections for the cash balance at the end of this fiscal year, I can give you a revenue number for Medicaid of \$158 million. I will be writing an official letter as soon as the BEA sends me their formal estimate but I wanted you to have this number to work with. Again the available Cigarette Surtax revenue available for the Medicaid Reserve Fund will be \$158 million..

Les
